

SMARTair™ Keypad Escutcheon

Cutting-edge, multi-authentication access control

Slim design, enhanced security. Multi-authentication is the key!

Features at a glance:

- Multiple authentication levels options:
 - Personal code
 - Card only
 - Personal code and card combined
- Personal 4-digit code with audio signal
- Modern, sleek design with illuminated keypad
- Confirmation of actions via audible signals

The new SMARTAir™ KeyPad Escutcheon is the ideal solution for doors that require elevated access control and security through multiple authentications. As a wire-free, battery-powered device, the KeyPad Escutcheon is just as easy to install and operate as the rest of the SMARTAir solution.

Easy to Install

Wire-Free

Battery Powered
