

MUL-T-LOCK®

SMARTair® i-locker

Hassle-free digital security for cabinets and lockers

Convenient, wire-free digital control of your lockers

ASSA ABLOY's new SMARTair i-locker delivers smart, scalable security for lockers, drawers, and cabinets. The i-locker offers intelligent, online-managed control for personal storage, giving users peace of mind and reducing time spent managing or replacing keys. Digital access frees everyone from the hassle of key- or coin-operated storage.

Use it as a standalone solution for a suite of lockers, or make it part of your full SMARTair installation

The next generation of wireless lockers

Innovative design

- Range of models: fits multiple locker sizes, widths, cams and formats
- Easy to use: lock with a tap, identify occupied lockers at a glance
- Intuitive operation: LED indicator and buzzer provide visual and audible alerts for conditions such as locked status, low battery, intrusion, incorrect cam position, and more
- Robust and reliable: engineered for performance and compliance
- Energy efficiency: designed for high autonomy with standard batteries

**** Streamlined experience

- Fast to fit: install without cables, wires, or damage to existing lockers
- Scalability on demand: a SMARTair Hub can connect up to 60 lockers
- UX excellence: smartphone notification with assigned locker streamlines use
- Multiple credential options: lock and unlock via smartphone or most RFID credentials

Intelligent security

- Your choice of modes: select Free or Assigned mode to match your needs
- Real-time information: manage remotely so you always know what's happening
- One firmware: all management options in one device, simplifying maintenance
- Reduced theft: high-quality engineering, digital attack resistance without key hassles

Your environment, your i-locker

Where i-locker can make the difference

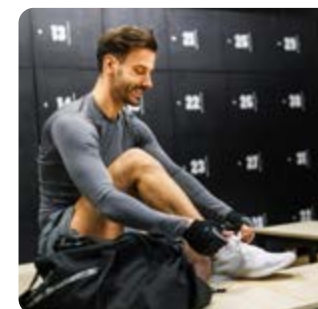

Healthcare

- Staff lockers
- Medicine cabinets/trolleys
- Controlled substance stores

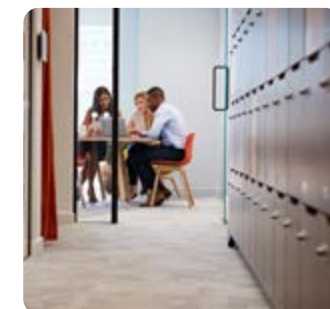

Education

- Staff/student lockers
- Changing rooms
- Document cabinets/drawers

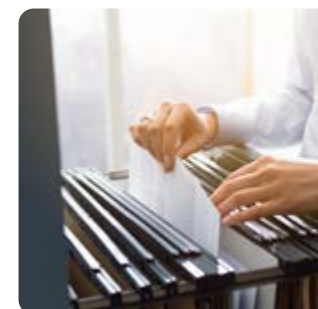

Sports centres

- Changing rooms
- Gym/pool lockers

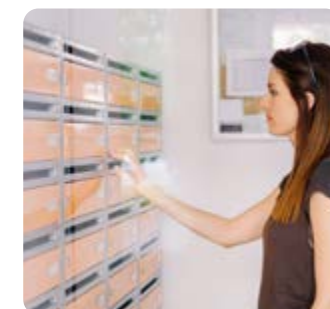

Office spaces

- Document cabinets/drawers
- Personal mailboxes
- Lockers

Commercial

- Retail-floor storage
- Display cases
- Document storage

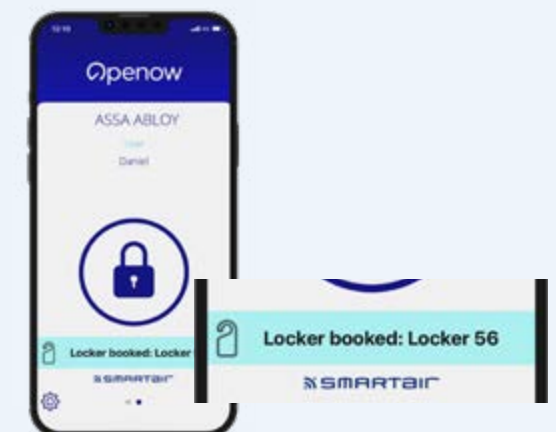

Residential

- Personal mailboxes
- On-site facilities storage

Unlock convenience: Free mode via card or smartphone

In Free mode, users can claim any available locker with a card or phone. The Openow app shows the locker number instantly, while reserved lockers display a red LED for easy identification. Perfect for hot-desking, co-working spaces, gyms, libraries, and transport hubs.
